

# Tomorrow River Community Charter School

## Supply List 2016/17 School Year

The TRCCS is inspired by Waldorf and has specific supplies for our curriculum. The supply list for families is small but we do have an **annual supply fee of \$50 per student (\$25 for Prekindergarten)**. If the cost for the supply fee is a hardship for your family please let TRCCS know and we will make alternative arrangements.

We ask that all items brought to school be free of commercial characters and have the child's name on them.
